## International Nurses Day

International Nurses Day was established by the International Council of Nurses in 1965 to celebrate the important role nurses play in our society. In 1974, the 12<sup>th</sup> May was chosen as the date to celebrate the day as it was the birthday of the founder of modern nursing, Florence Nightingale. Following on from previous years, the overarching theme for International Nurses Day is Nurses: A Voice to Lead. The sub-theme for 2021 is A Vision for Future Healthcare.

[Chatswood Private Hospital](#) is committed to upholding the professionalism of all of its diverse nursing staff and to remain as one of the premiere destinations for Ophthalmic, ENT Dental, Oral and Plastic Surgery procedures.

[Chatswood Private Hospital](#) celebrated the occasion with our nursing team and

would like to thank all our Nurses for their dedication, care, commitment and for all their on-going hard work. [Click here](#) to read more.

---

## Administration Professionals Day

Administrative Professionals Day was celebrated on the 7<sup>th</sup> May to mark an occasion that recognises the very important role played by the administrative professionals in today's business world.

Our administrative team is vital to the smooth running all of our patient's surgeries, from liaising between patients, surgeon rooms, clinical teams, health funds and carers to being the first face and point of contact on surgery day. Our administration team prides itself on the care and detail given to each patient to ensure their day runs as smoothly as possible.

[Chatswood Private Hospital](#) would like to thank all our administrative staff for their efficiency, exceptional customer service and contributions to the vital and integral running of the facility. [Click here](#) to read more.

# Successful New Graduates

Left: Roger Cronin (CEO, PresMed Australia), Hana Pejar, Maya, Kerrie Legg (Hospital Director, CPH), Helen Ho (Theatre Manager, CPH)

For over 11-years, [Chatswood Private Hospital](#) (CPH) proudly supported developing the next generation of nurses with the Enrolled Nursing Scholarship Programme, New Graduate Ophthalmic Nurses Certification & New Graduate Otorhinolaryngology and Head-Neck Nurses Certification Program.

CPH would like to congratulate Hana Pejar for completing the Enrolled Nurse Scholarship Programme, and Maya, for completing the New Graduate Ophthalmic Registered Nurse Program including Certified Registered Nurse in Ophthalmology (CRNO) certification.

The New Graduate Ophthalmic Registered Nurse Program is modelled on the requirements of the prestigious American Society of Ophthalmic Registered Nurses (ASORN) Core Curriculum in Ophthalmic Nursing, including certification exam for Ophthalmic Registered Nurses through The National Certifying Board for Ophthalmic Registered Nurses. This program includes intensive, specialised training in ophthalmic patient care, from the time in the consultation room through to the operating theatres.

The Enrolled Nurse Scholarship Program includes one year of clinical experience in a specialist hospital setting, in conjunction with an Enrolled Nurse Diploma through TAFE NSW.

We would also like to welcome the 2021 [Chatswood Private Hospital](#) New Graduates to the program. We look forward to having you on board! [Click here](#) to read more.

# Chatswood Private Hospital Celebrates 5 Year Anniversary

[Chatswood Private Hospital](#) (CPH) celebrated their 5th anniversary in January 2021. The creation of CPH was a result of a merger between Ophthalmic Surgery Centre which was established in 1997 and Sydney ENT, established in 1995.

CPH emerged as a custom-built, state-of-the-art facility and the only dedicated private hospital for specialist surgical procedures of the eye, ear, nose and throat in Sydney.

Since its opening, CPH has performed over 50,000 procedures and was the first Australian private member of the World Association of Eye Hospitals, a

prestigious group of leading ophthalmic centres around the world.

CPH is committed to offering leading technologies, ongoing professional development for our highly experienced nursing and support staff and exceeding standards of care for both clinical outcomes and patient satisfaction.

Roger Cronin, the Chief Executive Officer and Director for [Presmed Australia](#) Day Hospital Group said he is very proud of what CPH has achieved in 5 short years and is looking forward to many more successful years to come. [Click here](#) to see the full article.

## Featured Surgeons

### Dr Allan Bank

Dr Allan Bank is a graduate of Sydney University medical school with residency training at Royal North Shore Hospital. This was followed by a year of basic research in the labs of the Save Sight institute and specialist training at Sydney Eye Hospital.

An advanced fellowship in glaucoma at the prestigious UT Southwestern, Dallas, Texas under Professor Rand Allingham and Professor Karanjit Kooner followed.

On return to Australia he was offered positions at Bankstown and Prince of Wales public hospitals. Currently, he runs the Glaucoma Unit at the Prince of Wales Hospital and supervises registrar training in both cataract and glaucoma surgery. Dr Bank was also instrumental in establishing the new Chatswood Private Hospital, a world class facility for eye and ENT surgery. [Click here](#) for more information.

## Dr Greg Lvoff

Dr Greg Lvoff is a graduate in both Medicine and Dentistry from Sydney University.

He subsequently completed advanced surgical training in Ear Nose and Throat/Head and Neck Surgery with further training in Maxillofacial Surgery.

Uniquely, Greg is the only ENT surgeon in New South Wales to hold a public teaching hospital appointment in both ENT and Maxillofacial Surgery.

His special interests are snoring and sleep apnoea surgery, for children and adults, dentoalveolar surgery, oral pathology and orthognathic surgery.

Greg has lectured extensively on dentofacial growth and development secondary to nasal obstruction in children. [Click here](#) for more information.
