

## 100% Vaccination Rate

Congratulations and thank you to our Staff at Central Coast Day Hospital on their 100% Double Vaccination status in accordance with NSW government requirements for health care workers.

A collaborative approach in the workplace that includes discussing, planning and facilitating COVID-19 vaccinations is an important part of Australia's vaccine rollout, because having a vaccine is one of the best ways to protect ourselves and our community against COVID-19. # Perioperative Nurses Week

Central Coast Day Hospital celebrated Peri-Operative Nurses Week on 7 October 2021. Perioperative nurses provide care for patients before, during and after surgery, in areas such as anaesthetics and recovery. In recognition of the valuable role our perioperative nurses play in delivering quality care to their patients, we celebrated with morning tea and cake.

Central Coast Day Hospital would like to thank all of its perioperative nursing staff for their very real contributions and care of their patients' safe perioperative journey. [Click here](#) to read more.

All PresMed facilities are committed to upholding the professionalism of all of its diverse nursing staff and to remain as one of the premiere destinations for Ophthalmic, ENT Dental, Oral and Plastic Surgery procedures.

**Presmed Australia Acquires into  
Devonport Eye hospital & Northwest  
Eye Surgeons.**

[Presmed Australia](#) (PMA) is proud to announce it has taken a minority shareholding into Devonport Eye Hospital (DEH) and the practices of North West Eye Surgeons (NWES). DEH is a one theatre ophthalmic specialty day surgery opened in 2014 with co-located consulting rooms of NWES, and additional consulting rooms in Burnie. NWES has been servicing Tasmania's North West coast community for over 50 years and has 3 Ophthalmologists, supported by a team of ophthalmic experts. Over the next few years, PMA will further increase its shareholding until it becomes the majority owner of both businesses. [Click here](#) to read more.

## Featured Surgeons

**Dr Matthew Masterson**

Matthew received his medical degree from Adelaide University in 2010 receiving the Paediatric Surgery prize and became a Fellow of the Royal Australian College of General Practitioners in 2014. Throughout his training Matthew gained extensive surgical skills across a wide range of surgical specialties.

He is a highly experienced and trusted vasectomy surgeon performing over 1000 vasectomies a year across NSW.

Matthew is committed to ensuring that each vasectomy he performs is as painless and simple as possible. Matthew is a keen sportsman with particular interests in soccer and body boarding. [Click here](#) for more information.

---

**Dr Justin Low**

Justin received his medical degree from the University of Sydney in 1987 and completed the RACGP Family Medicine Program (FMP) in 1991. He became a Fellow of the Royal Australian College of General Practitioners in 1993. He received a Certificate of Recognition from the Australian Teleservices Association in 2012 for his work in telemedicine and has had extensive surgical and emergency medicine experience in the hospital system.

Justin is an experienced vasectomy surgeon performing over 1000 vasectomies a year across Australia and has performed over 8000 vasectomies to date. He presents to General Practice groups regularly around the country on the topic of vasectomy and has been interviewed on ABC Radio National, Sydney Morning Herald “Good Weekend”, Men’s Health Magazine and Channel 9’s “Today” morning show.

His current role is National Lead Vasectomy Surgeon at Marie Stopes Australia which involves education, training and maintaining vasectomy surgical standards across the country. [Click here](#) for more information.
